They always say you never enjoy your own parties, so until last weekend I'd never felt inclined to ruin a Saturday night by giving everyone else a good time. But on this occasion there was a special little something to celebrate so my Social Assistant, Nic, and I threw a bash downstairs at The Boulevard in Wellington Street, Covent Garden. The fact that the IRA had blown up a bus in the same street only days before should have been a warning to us all...

Now, you know when people say "Blimey I got so drunk last night I hardly remember a thing", I've always thought it meant one of two things: 1) that they had two pints and a shit night, but are trying to make the best of it, or, 2) they got pissed and copped off with a right old flap cracker and don't want to remember anything.

Well, I thought wrong. When Sunday morning came around, my eyes were opened, or rather they weren't, because the only thing that told me I'd been to a party the night before was the fact that I couldn't open my eyes. I'd collapsed on the floor with

my contact lenses still in. Ouch! (At this point I would like to say that I'm not really that vain, but I smashed my glasses when they came between me and the corner of a bar stool some months ago and I haven't yet replaced them.)

Anyway, the point is, my only recollections of my own party are those recounted to me by my guests. This week has been peppered with phone calls from friends gloating about my "sideways behaviour", "pathetic passes" and "childishness beyond all belief". From the evidence I have managed to piece together a *Crimewatch*-esque reconstruction of the events, and it is not a pretty sight...

In short, I managed to offend seven, snog ten, row with five, grope two and shout at everyone – all in the space of five and a half hours. But why must everyone keep going on about it? Why can't people just forget being called a Cockney cunt and getting head-butted? After all, I forgot quite easily.

Now, come with me and enjoy a very memorable issue of Club indeed! —

TOP BABE

In the nicest possible way, you do my head in! Why? Every month when I read *Club*, I think I've seen the ultimate babe and then along comes another issue and I have to start all over again.

Well, hopefully it's finished 'cos I believe that the ultimate babe of them all was in the last issue of Club (Vol 25 No 2). I'm talking about Gabrielle. She is perfection, you couldn't ask for more. And I tell you now, if she isn't in a future issue I'm off. What a body, those tits had me hard within seconds and those curves... blimey! All the other girls were beautiful too, but compared to Gabriella there's no competition. Let's see her again soon, and don't worry I'm not going to blow my cool by asking her to marry me or anything like that, although if she wants to come around to my place and suck on this raging hard-on of mine, she more than welcome! Cheers! – *Daryn, Surrey*

RIDE ON

My girlfriend Fiona went for a fortnight's holiday in Majorca recently leaving me on all on my lonesome in our flat for what I hoped would a two-week orgy of beer, pizza and telly. I'm glad to say that things never quite turned out how I expected, and I've got Fiona's younger sister, Susan, to thank for that.

Susan studies at Newcastle University and while Fiona was sunning herself in Ibiza, she decided to come down to London for the weekend. I had never met her before, so you can imagine how surprised I was when a

PUT IT IN THE BOOT

Put your foot down and give it some welly! Yes, it's a car shaped like a shoe. Why? Well, underneath it's a Honda Civic, and let's face it, nobody wants to be seen in a Honda Civic. Also it happens to be owned by the well-heeled proprietor of Los Angeles store Quality Shoes. So is it just a crap gimmick to publicise the shop? "No, it's very practical," lies the owner. "It has lots of leg room and a big boot." Tee-fucking-hee. ♣

stunning blonde girl with big tits turned up on my doorstep asking for a bed for a couple of nights.

"You don't know who I am, do you?" she teased, bewilderment registering on my face. "I'm Fiona's sister. From Newcastle? Susan?"

Fiona had told me a little about Susan, though she neglected to mention how bloody shaggable she was! "Of course, sorry," I stammered, "come in."

"I hope I haven't put you out," she apologised. "It's just Fiona said I was welcome any time, and a friend of mine is having a party this weekend."

I told her not to worry and said that she was welcome to stay for as long as she wanted.

Over the next couple of days, Susan was either out clubbing, visiting friends or shopping and I scarcely saw her. When I did, she seemed rather shy and would make her excuses and head for the spare bedroom .

Susan left the flat for a party on Friday night, and she asked me if I could pick her up around midnight as she was unsure of how to get back home. Of course I didn't need much persuading and drove over there just in time to see Susan coming out the house,

Look, it's been a bloody long day so bugger all that nonsense about being politically correct – big knockers are great, aren't they? And they don't come much bigger or nicer than the ones that Belinda Smith has.

"Thank you very much, that's nice of you to say so!" says the 22-year-old receptionist from Rotherham.

"Men do go absolutely barmy over my boobs, it's incredible! Some put their willies between them and I slowly wank them off. Other men like them clamped to their ears as they nuzzle their noses against my titty flesh! But

I've never met a man who can resist holding them, feeling how heavy they are before sucking and licking every inch of them.

"Well, do you think you could resist the temptation, fellas? Be honest now!"

Oooh-er! Back in the Cleave Age when it was okay to stare at birds with big tits, no film series gave more mamm for your money than the Carry Ons. But who was the best Carry On cutie? Forget Big Babs, for starters! After heated and largely bollock-filled debate we reckon it's the leader of the man-eating tribe in *Carry On Up The Jungle*. Judy Geeson came a close second, with Penny Irving from *Carry On Dick* up there too. Alma from *Corrie* (Amanda Barrie) flashed a lot of funbag in *Carry On Cleo* – but Babs Windsor? PHOTOGRAPHS BY MARIA CLARKE

Hi there guys. Hose that girl? It's Carrie and her Wash and Come Car Emporium! When the Ed suggested I should clean his car, I couldn't believe his cheek. If anyone else suggested I should be a scrubber for the day they'd get a swift kick in the bollocks, but armed only with a sponge and a bucket of warm water I set about bringing a shine to his bumper!

It wasn't long before my own top came down and I began buffing my breasts instead. Teasing my nipples with the soft sponge, I felt the warm water run down over my stomach and to my pussy. I couldn't resist the urge to work up a lather with a spot of fine-tuning in my knickers so I eased a finger inside my tight snatch. By then I'd forgotten all about washing the car and retired to the back seat for a servicing of a different kind! Vroom vroom...

letters to carrie

Dear Carrie,
Heavenly. That's the word that comes to mind when I think of your seriously dirty pictures in the last issue of Club (Vol 25 No 1). We wish we could have gatecrashed on your little lezzie twosome with Christine, but alas we have to settle for your pictures. At the moment we are freezing our knackers off in Mekonkic Grad in Bosnia, but believe me if you turned up and did a show for us with Christine the snow would definitely melt! The sight of you rubbing tits together with Christine has made many a sleeping bag a sticky mess!

Please send us some signed photos and if you ever fancy a holiday, we'll gladly supply you with sleeping quarters! – *RR & the lads from B Troop, Bosnia*

Ta for the letter, lads. It's my pleasure to send out photos to all the squaddies who write into Club. As for coming out there for a trip, you'd have to promise to warm up my cold bits! Deal?

Dear Carrie,
You look good enough to eat, and that's exactly what I'd like to do if you gave me the chance! Failing that, I'd love to take you out to an exclusive restaurant I know where I'd wine, dine and sixty-nine you!

As we sit there in the restaurant, all eyes are on you. You're wearing a breathtakingly tight dress that shows off your big boobs to perfection. My mouth is watering – and the food hasn't even arrived yet! When the nosh does come I just about manage to nibble my way through the main course but I suddenly regain my appetite when you announce that you've planned something special for dessert.

Looking around to check nobody's watching, you disappear under the table and I feel you tugging down my zip. I gasp as I feel your warm, wet lips enveloping my cock, my knuckles whitening as I grip hard onto the sides of the table.

I feel your wet tongue rasping along my stiff shaft, lapping feverishly at my hairy balls. It's too much to bear and I moan loudly as I come, my sticky load pouring into your open mouth. You surface from under the table and demand the bill from the waiter then it's back to my place for a second helping! Are you feeling hungry, Carrie? If so, then I'll gladly cook up something hot and horny for you! – *Neil, Streatham*

Mmm, there's nothing I like better than popping out for a nibble, Neil, and if there's a stiff cock on the menu, then I'll always come back for another helping! As for my appetite, I'm always hungry, if you know what I mean! – ***Carrie*** ♣

MR NOB

Rock and roll is not dead, reckons *James T Bone,* who salutes a young man with bushy eyebrows...

He's young, rich and the singer in Britain's coolest band – don't you just hate **Liam Gallagher**? While the creative force behind Oasis, older bruv Noel, sits at home writing songs like *Wonderwall* for his missus, Liam has been out and about town banging away like a barn door in a gale. And not just with any woman either, the lucky sod's been getting it on with some of the country's most beautiful women. Lucky git.

Just a few months ago, our man Gallagher was telling all and sundry how Justine Frischmann of Elastica was the only woman for him. The fact that she's shacked up with Damon from Blur put the stoppers on that, and since then he's taken on a metamorphosis of 1970s-era Rod Stewart proportions. He promptly hooked up with the utterly gorgeous **Lisa Moorish** and the tabloids splashed pictures of them coming out of night-clubs at 3am and falling into taxis together. Had the hard-rockin', hard-lovin' bushed-eyed Manc found his match? Not for long.

Next on the scene was pop singer, **Berri**, who revealed their night of passion in the News of the World. We discovered that Liam smells ("a lived-in, manly aroma), likes shagging in toilets ("he didn't even take his trousers off") and serenaded his lover ("he sang *Wonderwall* to me"). Fascinating stuff. Berri, famous for her (s)hit single *Sunshine After The Rain*, was soon ditched as Liam hit paydirt: at the time of going to press (and judging by his prolific scoring rate, he'll probably be shagging Cher by the time you read this) the jammy bugger is only shagging **Patsy Kensit**. PATSY KENSIT! Some guys have all the luck.

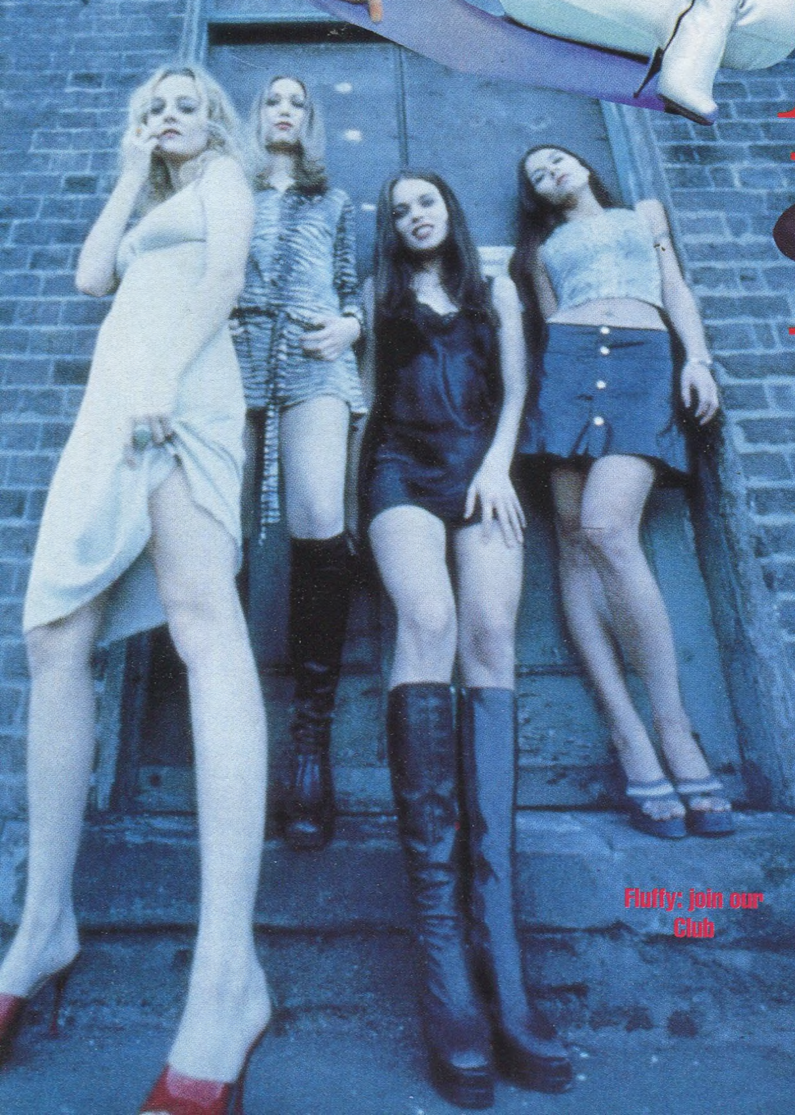
You've got to take your hat off to the guy. Whilst most of today's pop stars are either po-faced and sincere beyond belief (that's you Gene) or are whittering on about alien abduction (hello Cast), at Liam Gallagher is giving up top value in the star stakes. What's the betting of a) a drugs bust, b) an assault charge on a photographer/journalist/brother or c) nervous exhaustion, by the end of the year? Watch this space.

Liam Gallagher: what's the story, Mr Morning Glory?

Berri: dumped

Patsy Kensit: wonderball

Lisa Moorish: Miss Friday Night



Fluffy: join our Club

● Hailed in this very magazine a few months back as one of the brightest hopes for 1996, you can now judge for yourself whether **Earl Brutus** are any good by running out to your local record emporium and demanding a copy of *Navyhead*, their brand new single. Released on Deceptive Records this month, it's a stomping floor-filler that samples Alice Cooper's *School's Out* and throws in The Glitter Band and Kraftwerk to create an awesome wall of sound. Good shit, as they say.

● Good to see that we've got fans in the music press. You may remember that we recently reported Melody Maker's relentless championing of **Romo**. The music mag mentioned that we'd cruelly lambasted the writer, Simon Price, although we did fulfil one of his long-held ambitions – to appear in a jazz mag, albeit clothed. We did approach the great men in question to pose for our centrefold and a fee of £5,000 was mentioned... unfortunately Mr Price could only scrape together two grand. Boom-boom!

Melody Maker then went on to mention a model in *Club* who "is a posh punk rocker who models her style on bad girl, Courtney Love from Hole", suggesting that the identity of the girl was actually Amanda from **Fluffy**. Well, if Amanda ever fancies getting her kit off, she knows exactly where to come...

● It may have been released more times than a care-in-the community patient, but I'll bet that *A Certain Sacrifice* (the 1979 film starring Madonna) will sell a few more copies when it's released yet again this month on Worldvision Home Video. Why is anyone's guess. Since the film was made seventeen years ago, Madonna has got her tits out in *Body Of Evidence*, posed for lezzie pics with Naomi Campbell in her book *Sex*, and has done funny things with a wine bottle during *In Bed With Madonna*. Even on freeze frame, you can barely make out her chuffing knockers in *A Certain Sacrifice*.

BY

No, no, no, no, instead why not plump for *School Daze* by Spike Lee? The action is centred around an all-black college in America's deep south and the song and dance routines will blow a hole in your telly screen. Both videos are out now at the ridiculously cheap price of £5.99: *School Daze* from all good videos shops, *A Certain Sacrifice* from dodgy Soho video parlours where you'll probably shell out £50 and think you've got a bargain. You haven't, it's crap. ♣

KYLIE GETS IT OFF HER CHEST

Aussie sex goddess, Kylie Minogue, is so cute it makes your head spin. But she's not just a pretty face with a nice pair of tits – she's a good giggle too, as **Andy Paris** found out...

What is your earliest memory of fancying men?

Going up to Surfer's Paradise on the Gold Coast when I was 15. I used to go there on holiday. I started to get interested in blokes then and I'd be out with my girlfriends checking them out, thinking, 'He's cute!'

Define 'cute'...

Anything in trunks with a glistening, tanned body.

Do you surf?

No, I've tried. I managed to stand up once. I'm always sure that a surfboard is going to knock me on the head and I'll be unconscious, floating in the water.

You travel the world. What's the first thing you do when you get into a hotel room: raid the mini-bar, turn the telly on or jump up and down on the bed?

All of the above! Hah! It depends where I am. If I am somewhere just for one night I hardly take notice of the place. I'll probably scatter a lot of my stuff around, get a stereo in, a fax machine, a phone so that I can stay in touch.

Do you get lonely and if so is there anything we can do to help?

Yes I do, I don't like to be on my own too much. Occasionally I do need time to myself.

Fancy a massage?

I do like massage. It started in Thailand when I was filming there. We were all getting massaged.

They're a bit rough over there aren't they?

It's so funny. You really have to wonder, I hope to God they know exactly what they're doing. You do feel like they are going to snap you in two. They twist you in every direction, I never thought that I could get my legs that high up or my arms that far back.

How about the food?

I ate enough bloody rice to feed an army.

Any runny bum problems?
When you're working you can't afford to get sick so I didn't buy any food from street vendors.

How did you like Bangkok? It's a bit rude over there!
Bangkok was a very polluted, seedy city. The rest of the country is great. I went there on vacation with Michael Hutchence. It was one of the greatest holidays I ever had. We were shacked up in this hut on some malaria-ridden island. I turned into this hunter attacking any mosquito that came near.

Are you handy with your hands then?
I've had martial arts lessons from Benny the Jet (*famous Hollywood trainer bloke*). I was taught how to punch and kick.

Did that firm up your wobbly bits?
Yes, my body changed shape. I'm a lot more defined and flexible now. It was really surprising.

Let's have a look then...
You'll just have to watch *Streetfighter*!

Have you ever done yourself an injury?
I have over-stretched myself.

Which bits?
Erm (*embarrassed*) my legs, which was a bit depressing 'cos I was doing so well with my flexibility. My aim was always to be able to do the splits sideways.

Is it tough being a sex goddess all the time?
I don't see myself as that, but I have had that label pinned on me a few times.

If you woke up one morning and you'd turned into a man, what would you do?
Good lord! Some male bonding, I suppose.

Like what?
I don't know where I'd start. I wonder how I would go about asking a girl out.

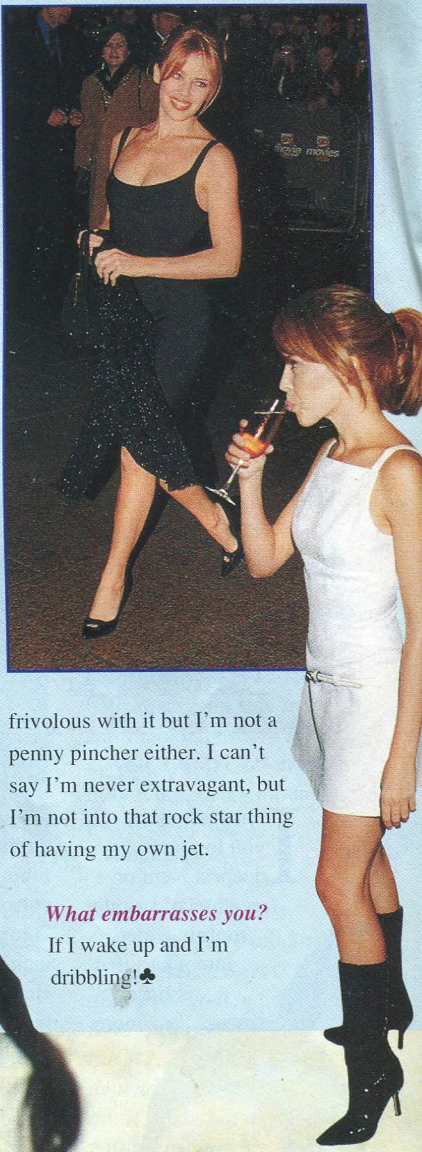
What is a good way for a bloke to do that?
You have to have a strong character; direct, but natural. I don't like the real flashy variety. Some blokes might dress in a whole lot of labels or drive a flash car, but it doesn't really do much for me.

What's the worst approach a bloke could make?
The tragic ones are the soppy ones. I'm a romantic. I love all of that, but I hate dithering. I like men to be direct with no messing about.

What are you like when you're drunk?
Depends on how I'm feeling before I start drinking! I hardly ever get completely trashed. I like to loosen up a bit, giggly I guess. I get a bit less self conscious. I don't go all slovenly (*does an impersonation of a drunken slob*).

You are loaded. Do you ever feel guilty about having so much money?
I used to. I'm not frivolous with it but I'm not a penny pincher either. I can't say I'm never extravagant, but I'm not into that rock star thing of having my own jet.

What embarrasses you?
If I wake up and I'm dribbling!♣



"My aim was always to be able to do the splits sideways..."

Get KART

Want to be a hero?

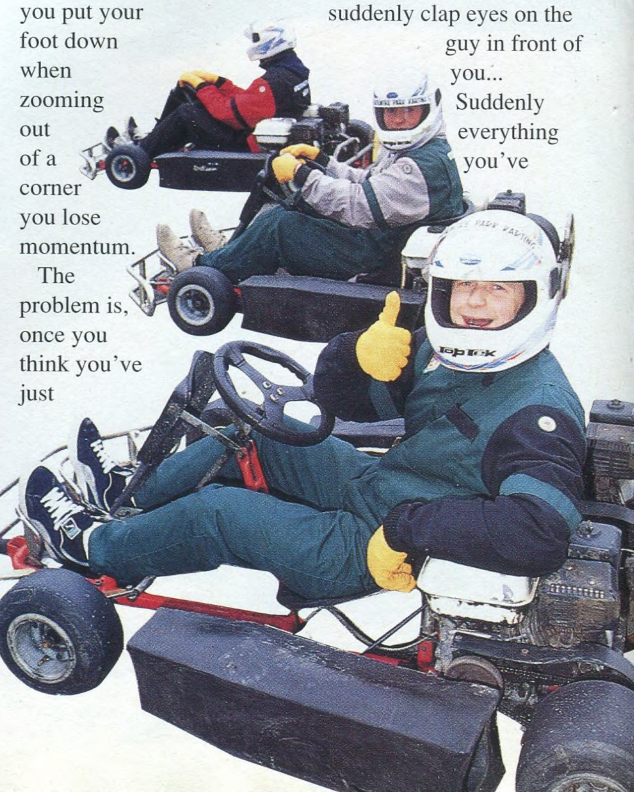
Want to stand on the winner's podium with a semi-naked girl spraying champagne over the losers just for once in your life? Well, Max 'Did I Ever Tell You About The Time I Won At Go Karting' Vinall did, and this is his story...

If anyone asked you to go to deepest Kent on a freezing cold winter morning, step into a kart that is little more than four tyres, two engines and some steel tubing, then hurtle round a concrete racetrack at 70mph with your arse three inches off the ground, chances are you just wouldn't bother. Unless you had an 18-year-old in skimpy underwear to impress in front of The Ed and Professional Yorkshireman, Tom Otley, that is.

But make no mistake, the karts at Buckmore Park outdoor racing circuit are bloody brilliant. If you think they're just little toys for people who need a speed rush and can't afford drugs, then shut the fuck up and have a go in one. Ayrton Senna and Johnny Herbert started their Formula 1 careers racing karts (Johnny still races them on this track to keep his reactions as sharp as possible) and as bizarre though it may sound for a vehicle so small, they are the closest thing, both in driving technique and exhilaration, to the top end of motor sport.

No, we couldn't believe that either, but these twin-engined karts, with their automatic clutches and disc brakes, are modelled on competition machinery and race on a scaled-down track to give an authentic Formula 1 feel. Just like F1, the slick tyres need a few laps to heat up and give proper traction, and the twisting undulating nature of the track mean that to race at top speed you need a level of concentration on a par with listening to an extremely dull girl with huge knockers.

But the amazing thing about these karts is that you get completely involved. On every lap you take a corner a little faster, you find the racing line and cut the apex as finely as possible. The rear wheels slide out if you twitch the wheel too sharply or put the power on at the wrong moment, and unless you put your foot down when zooming out of a corner you lose momentum.



The problem is, once you think you've just about mastered the accelerating and braking problems and all the other stuff, you suddenly clap eyes on the guy in front of you... Suddenly everything you've

learned is forgotten and you slam your foot down full to catch him. He, on the other hand, clocks you and does exactly the same! You try to overtake on the outside but the cars are too evenly matched, so instead you have to rely on taking him out on the corners.

This is where the hyperventilation really starts. It takes balls to brake half a second later than your opponent but that's the only way to get close enough to him to clip in on the inside and squeeze past.

> "You go fast enough around corners to feel the g-force double the weight of your head"

Of course, you might smack into him and spin off in a plume of burning rubber like I did, but this doesn't stop you trying. Instead, your determination doubles. So I started off again, this time putting pressure on the guy in front until he went into a corner too fast and lost control. Yes! That made me happy – for about a second until I saw my other opponent, Tom, in front of me and I had to do the whole thing again, this time with The Ed breathing down my neck...

This went on for hours. We were out on those karts in the bitter cold, our hands frozen to the wheel and our wrists and forearms screaming with the pain all morning. The karts have no suspension and no comfy seats, so you feel every single bump in the road. You even go fast enough to feel g-force double the weight of your head. But despite our headaches and ice cold bodies we all settled down for one last decider. Man to man. A three-lad race over five furious laps to see who could handle these little devils the best, or more realistically, who had the balls that could stay frozen solid the longest.

Well, I won't go on about it, but, um, that's me in the picture with the champagne...

Buckmore Park Kart Circuit is open from 9am-5.30pm seven days a week, and is situated in Chatham, Kent, just off Junction 3 on the M2. Prices vary depending on the numbers, but it works out at around £50 per person, including insurance. They can take up to 28 teams of 3-6 participants competing on the 70mph Pro-Karts, like the ones we drove. For more info, ring Dawn Wymark on 01634 201562, or fax on 01634 686104. ♣

MISSION IMPOSSIBLE

Who's going to succeed El Tel in the England hot seat? Maurice Short reckons he's discovered just the man to take our team to the top...

Managing the England football team is a tough job. No wonder nobody got crushed in the rush of people volunteering to take it on. Abuse from the media, dull meetings with officious pensioners in FA blazers, and on top of that the task of turning the nation's clod-hopping soccer stars into a team of world beaters. This is something only marginally easier to achieve than teaching Douglas Bader to tap dance.

Over the years many have tried and failed. Walter Winterbottom coached a team including legends such as Matthews and Finney to defeat at the hands of the USA; Don Revie buggered off to Abu Dhabi; Venables you know about. I won't even mention the Turnip. In all only two men have taken England to anything like the heights the English fans and press expect: Sir Alf Ramsey and Bobby Robson. An analysis of the character of these two men carried out by experts (i.e. me and my mate 'Loony' Bob from Catford) has isolated three key psychological similarities:

Hardness: Both men were very tough. Robson terminated a press conference by threatening to take a journalist outside and "chin him one." Ramsey approached a cheerful Allan Clarke on the team plane and hissed the words, "You don't fucking enjoy yourself with me. Remember that!"

Weirdness: Robson and Ramsey were both prone to strange verbal outbursts or odd behaviour. Robson once burbled, "I need Bryan Robson to be Bryan Robson because that's the only Bryan Robson I want." Ramsey reacted to discovering that seven England players had broken a pre-match curfew by sneaking into their rooms and... messing up their beds.

Strange ambitions: As a boy Alf Ramsey had dreamed of becoming a greengrocer. Robson meanwhile would "have given my right arm to be a concert pianist."

Having identified these three key areas we can see that no current leading England manager quite fits the bill. No, if the English team is to be successful I feel we may have to look abroad. To my mind there is only one man who combines all the above factors. A man who in his own words has "the right combination of wit, grit and bullshit." Step forward boxing promoter Don King. Big Don fits all the criteria for an England supremo. He is hard (he served time for manslaughter), weird (he says of his hair, "It is unusual isn't it? I think it's an aura from God, an aura!") and his ambition is plainly to replace Magnus Magnusson as Britain's top intellectual ("To be or not to be, that's what they askin' baby"). Although an American, he is a big fan of England in general, and Winston Churchill in particular. Not only that, I'm sure he'd look good in the blazer. As for the FA International committee well, as Tex Cobb, one-time fighter turned actor observed: "Don King is above prejudice. He screws anyone: hog, dog or frog. It makes no difference to Don." So come on Mr Kelly forget Francis, Hoddle and the rest and appoint the only man who can lead England back to the top.

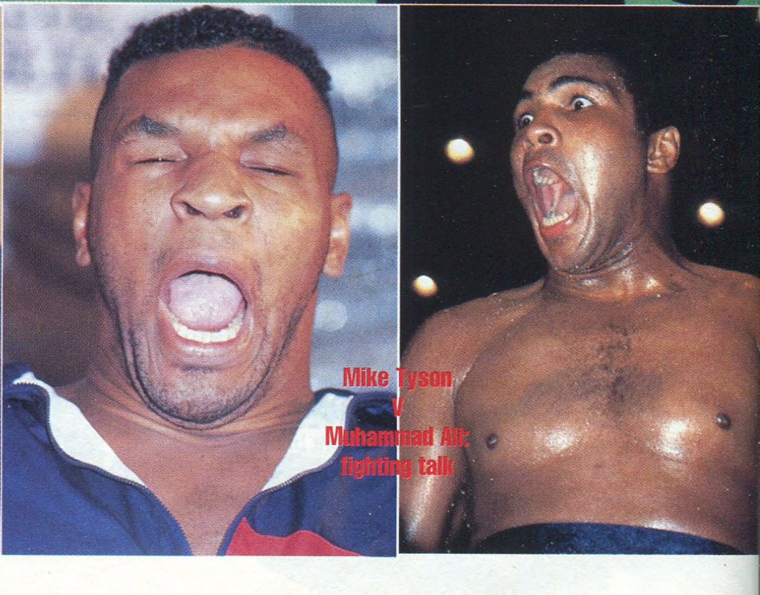
● The Pakistanis are usually cited as the biggest cheats in cricket, but it seems that their critics may have to adjust their opinions in light of events in Holland over the last couple of seasons.

At the end of the 1994 season, two teams, HCC The Hague and Ghandi CC, were vying for promotion from the Second Division of the Dutch League. On the final

Don King: hair raising



Mike Tyson V Muhammad Ali: fighting talk day of the season the teams were level on points and it looked as if the whole thing would come down to run-difference. In which case HCC The Hague had an advantage because they were playing their own 2nd XI. Some might have suspected that the reserves would give up without a fight to help their clubmates. Not so! Working hard in the field they restricted the first teamers to a 703 for one in 55 overs. In reply the second string batsman knocked up a spirited one all out.

Meanwhile, Ghandi CC were involved in a similarly nip-and-tuck match. Against the attack of Success CC, Ghandi's batsmen struggled to a paltry 813 for one. A nail-biting finish saw the crowd on the edge of their seats as Success CC's array of strokemakers carried them to 16 all out, giving Ghandi victory by the narrowest of 797 runs. Odd though it may seem, the Dutch cricket authorities regarded these goings-on as more than a little suspicious. Points were docked, clubs were fined and all promotions were abolished.

● A recent issue of one of those men's mags that are full of pictures of blokes with no shirts on carried a headline on the cover boasting that inside was an article about 'The Fight We'd All Want To See'. Excited by this, I lashed out my dosh for a copy. Sadly it turned out to be an article about an imaginary fight between Muhammed Ali and Mike Tyson. This lead me to thinking about the across-the-generations fights the discerning readers of *Club* would like to witness. Perhaps it would be those two legendary Grand Prix sluggers James 'The Shunt' Hunt and Ayrton Senna belting one another out on the track, or Norman 'Bite Yer legs' Hunter taking on Paul 'Jawbreaker' Davis in the centre circle, or perhaps a mixed doubles slapfest pitching Mrs Jeff Tarango in against Springbok ear-biter Johan LeRoux?

After consideration I settled on a player versus fan clash between Eric Cantona and Millwall's seventies hoolie, 'Harry the Dog'. What an encounter that would be across the advertising hoardings. ♣

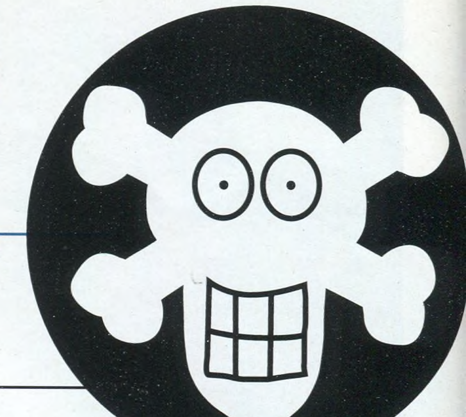
You don't have to be an ex-smoker to appreciate Nicolette's patch! The 21-year-old's trim quim may not stop you lighting up, in fact it could have you bursting into flames, like her current bloke.

"Since I showed him the way to wrap my legs around his neck and pull his face into my pussy so he can lick it out, he's become a habitual cunny tonguer," says the Leicester divester. "He can't stop, he's always got his head buried in my warm wet pubes. I'm not complaining but I had to cut him down to ten munches a day. It was making him breathless!"♣

PIRATES for porno



Offering an alternative to the legitimate and licensed stations, Steve Gregson scans the airwaves and tunes into pirate radio...

Turning on the radio and twiddling with the knob reveals just what is wrong with UK radio. It's one extreme or the other. A scan of the dial gives us the choice of Radio 1 (enthusiastic DJs trying to sound trendy), Radio 2 (easy listening for the over 40s), BBC local radio (endless Val Doonican records) or the commercial stations like Virgin (soft rock and cash giveaways). As long as you're a fan of middle of the road crap like Elton John and Meatloaf or chart music, you're well provided for. It's easy to see, then, why pirate radio is big business.

Radio transmitters are easy enough to buy if you know where to go, and a decent set of decks are available from any high street hi-fi store. Small wonder, then, that there are now twice as many pirate broadcasters as there were just two years ago.

Not all pirate are cowboys, though. Globe FM in Nottingham started life in 1991 playing a mixture of dance and reggae music for eighteen hours a day. It proved a hit with listeners, registering so high on the JICRAR scale (a survey commissioned by the radio industries) that the results had to be 'hushed up' while Globe FM was taken off the air, enabling another survey to be hurriedly carried out.

Quick to consolidate its success, Globe FM ran live broadcasts, along with events staged at the city's clubs. Respected among the local community, the station raised money for the Anthony Nolan Trust, gave free advertising to charities, and helped police find a missing boy by putting out an appeal that was answered within a few hours.

The Government nearly brought their jolly rogering to a end in January 1995, when investigators from the Department of Trade and Industry raided the studios, seizing their equipment.

The Radio Investigations Service, empowered by the DTI to 'police' the radio bands, claim that many pirates behave irresponsibly and are a menace to legitimate users. The man from the Ministry is forthright.

"Because of the type of equipment that the pirates use, there's the opportunity for it to drift off its frequency, radiating interference over a range of frequencies. It causes annoyance to everybody trying listen to the radio and blocks the emergency services."

There are at least seven other broadcasters on Nottingham's airwaves, many of which are run by kids from their bedrooms, and questions surround the hounding of the station by the DTI, when most of the other pirates have been left alone. Perhaps this can be put down to the fact that Globe FM always made an effort to behave professionally in every aspect of its operation. Whilst other pirate outfits are content to operate using a couple of record decks and a bog-standard mixing console, Globe FM always used professional equipment. The cartridge machines used for playing adverts came from the BBC, the studios were fully soundproofed and an hourly news broadcast was beamed in by satellite. All these factors must have pissed off the competition no end who paid for the privilege of broadcasting.

To protect the guilty, most operators go under assumed names. I caught up with a man known as Tony Anderson, slaving over a mixing desk at Hot Hits FM.

"Hot Hits is a specialist music station; we play soul, reggae and indie. There'd be no point in playing chart music because the local commercial station is doing that. The other pirates play dance music, but who'd listen to them when Radio 1 does it better?"

Hot Hits broadcasts once a week and uses a transmitter about the size of a video recorder. Tony says the signal gets out like greased monkey shit, so

Hit List Price £14.99
SALE £10.99

"If you're a fan of crap like Meatloaf, you're well provided for" has he thought about broadcasting more often? "I enjoy doing the show but that's as far as I want it to go."

As everyone knows, all the nice girls love a DJ... or do they? There are some pirates who abuse the airwaves to massage their own egos; the bedroom brigade who give out their phone number. Male callers are dispensed with to make way for any women who they can engage in conversation, the hope being that they'll pull themselves some starstruck girl. In the event, of course, girls aren't stupid, and know that the voice on the end of the line will turn out to be a geek. All the DJ will end up pulling is his own todger.

Tony Anderson agrees. "We only ever had a phone-in once, and over five hours we took 12 calls, but you shouldn't rely on a telephone to gauge how many people are listening."

On one occasion, though, a listener had cause to pick up the phone, but not to call Hot Hits FM. The previous night, due to a switching fault the wrong programme had been broadcast, and instead the listeners heard an hour of Roy 'Chubby' Brown. The next day an old lady phoned the local BBC station to complain about this "filthy Nazi radio station" that she heard. Were the boys at Hot Hits put out by this? Far from it – they sampled the old coffin dodger's bad-tempered moaning and made a first-rate jingle! ♣

Office girls – dontcha just love 'em, eh? They look so prim and proper but underneath they're a bubbling cauldron of sexuality. Well, if our Sally is anything to go by they are. Saucy Sally, 20, is a temp by day and a temptress by night. "I throw off my suit and go out on the pull," says the bawdy Geordie. "I don't want a steady relationship, I enjoy copping off with new fellas too much. That

first kiss, the first time he touches your tits, the first time I touch his cock. The first time he fucks me… I hope I never grow too old to enjoy that!" Shag-happy Sally isn't much good as a secretary, "I get so turned on in the afternoons I find it hard to concentrate. Sometimes I have to go into the toilets and frig myself off." ♣

club sally

DO YOU COME HERE OFTEN?

Do you have trouble chatting up birds? Well, there's a knack to it, says Lucy Carrington, who gives us the sure-fire lines that have had the boys eating out of her knickers for years ...

Let's face it, it's hard to chat up girls. It takes courage (ten pints of it, usually) and you still have that hesitant feeling before you slide up to that curvaceous, beer-blurred 'vision' standing at the bar with her Malibu and Coke. It's a moment you've rehearsed a million times in your dreams, so you take a deep breath, check your flies are zipped and... shit, what's your opening line? She knows it, you know it – your next sentence could start or end a filthy evening.

Do you like my new jumper?
Mmm... it would look good on my bedroom floor

So what's it to be? "Here's 10p, go and tell your mum you won't be home tonight." Yeah, that's really going to do it. What about, "Get your coat, love, you've pulled"? I've seen more than one face slapped because of that one. Okay, so there's always the one about the stars and her eyes – I'm usually too pissed to remember it exactly – but what I do know is that it's too corny for words.

Get your mouth round one of these!
Prat

Believe it or not though, I'm actually a real fan of chat-up lines, and with good cause – they work! I don't know if this is because the blokes I pull are grateful that they haven't had to do al the work for once, or because they're so pissed/ bored/ desperate they hope I might just liven up their evening. I like to think it's my charm, wit and stunning good looks, but I suspect it's the chat-up lines! Over the years I've managed to collect some corkers and there's always one out there to match the occasion.

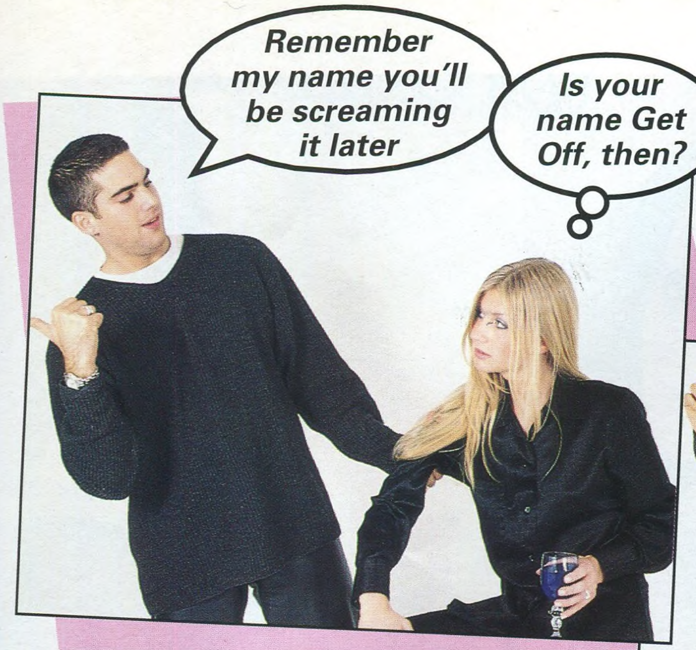
For instance, imagine I'm in a crowded bar, I've spotted my target and crept up behind him. I lean forward and whisper, "That's a nice-jumper... it would look good on my bedroom floor". That usually sparks a little interest. And when they ask me my name? "It's Lucy, remember it – you'll be screaming it later!" Believe me, that one works.

Here's 10p, phone your mum...
God! He can't even afford a mobile...

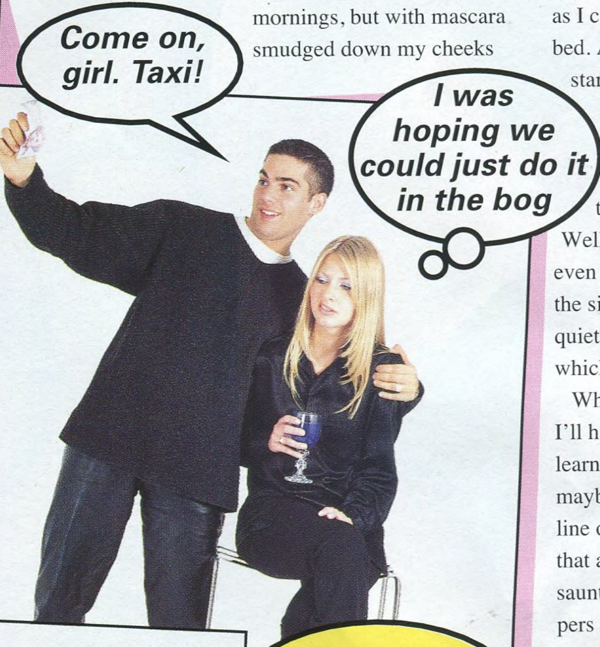
Or perhaps I'll need to use something a little bit more subtle, requiring imagination and a few suggestive actions. I'll look him straight in the eye, suck out my right index finger very slowly, wipe it gently on his shirt, lean towards him and breathily say, "Let me help you out of your wet clothes". Within minutes I'm being dragged to a taxi – usually by my mates for fear of me being shagged right there and then in the middle of the dancefloor!

I've got a match for you...
Yeah, your face and my arse, luv

So the first round of chat-ups have worked and I've got



Remember my name you'll be screaming it later
Is your name Get Off, then?



Come on, girl. Taxi!
I was hoping we could just do it in the bog

the guy back to my place (he's paid for the taxi, of course!). We've had the coffee, yawned, and I've suggested we make ourselves a little more comfortable in my room. Before you know it, we're in bed. This is where things can go wrong unless you're very careful. Chat-up lines during the deed are crucial. If I want a bloke to call me again, pencil me in for the occasional romp, and basically think I'm a bit of alright, I have to give him the right lingo. This is a very delicate operation – attempted on the wrong bloke it could all end in tears.

Anyway, I've decided that this bloke has a sense of humour and may be worth seeing again, so while we're in the middle of the act I'll say, "You're really crap at this..." Not surprisingly, he'll look shocked until I follow it up with "...which means you're going to have to stay here and gets lots of practice!" Now his pulse is racing and I can expect at least another two shags!

Finally we wake up from a satisfying night's action. Here's the point where I really need my one-liners. Mornings can often be a bit of a nightmare otherwise – you wouldn't believe the times I've gone to bed with Keanu Reeves only to find Mr Bean in the bed the next morning! I don't exactly look like Jo Brand in the mornings, but with mascara smudged down my cheeks and a crushing hangover to deal with, I need all the help I can get. Something like, "What did you say your name was again?" is risky, as I could get kicked out of bed. Alternatively, it can start off a play fight that ends in a shag – bullseye! Afterwards I might opt for "That's the best shag I've had. Well, today at least", or even "Leave the money on the side and close the door quietly on the way out" which should raise a laugh.

Whether they stay or leave, I'll have had some sexy fun, learned something, and maybe even picked up a new line or two. So the next time that a gorgeous blonde babe saunters up to you and whispers in your ear, "I've lost my phone number – can I have yours?", it could well be your lucky night! ♣

Can I have your number, I've lost mine?

Time for bed, darlin'...
For fuck's sake I hope his balls are bigger than his brain

Get your coat, love, you've pulled!
The only thing he'll be pulling is his pecker...

Mad, bad and dangerous to know, that's Katie the catering student from Chester. LOVE LESSONS

If you met me in the street you'd think to look at me that butter wouldn't melt in my mouth. Just look at my pictures – I look so innocent, don't I? I'm 18 years old with long blonde hair and a slim and sexy figure. My looks, however, are very deceiving as I am far from innocent, or indeed virginal. In fact, there is nothing I like more than a nice, stiff prick between my legs. And as for the taste of spunk, I crave it on a daily basis!

When it comes to getting what I want I use my looks to the full, flaunting my figure, pretending not to notice as I flash my knickers or plump, round cleavage. This drives men wild with lust. Unfortunately, there is one man who, up until last week, failed to succumb to my seductive techniques. His name is John, he's 25 years old with dark hair and devastatingly good looks; he's also my piano teacher!

The trouble with John is that he is very shy. He seems to do nothing but read and play his piano! I think he might have been a virgin, that is, until last week. It was a Tuesday night, the night of my piano lesson. I dressed in the most seductive clothes I could find: a blouse and matching top, high heels, a short pink skirt and tight little g-string knickers. Wow, I felt great and looked better. Picking up my music books I hurriedly left my house.

John answered the door in his usual manner – gesturing for me to enter without saying a word. I pranced in throwing my books onto the cushions which littered his living room, marching over to the grand piano that stood in the far corner. "Have you practised?" he asked shyly.

"I haven't had time this week," I told him, sitting in front of the piano, patting the seat and beckoning him to join me. He did so, his glance shifting down the length of my body. I lowered my own gaze observing that my skirt had risen and that the bottom of my panties could be seen. I made no attempt to cover myself. "Umm, today, we shall practice Alborada Del Grazioso," he stuttered.

"That's very difficult," I moaned, slipping my blouse from my shoulders and revealing the full shape of my breasts.

"That's why we need to practice it," he continued, a bulge beginning to grow under his trousers.

"You play, I'll just watch," I said. With a sigh of submissiveness he began and as he did I rested my hand upon his knee, my fingers running along his inner thigh.

His cock was by now straining to free itself from his trousers and I took this as a sign to go further. As he continued I stood and walked into the centre of the room. He was watching me intently and, staring deep into his eyes, I unclipped my skirt, revealing the full shape of my love mound, barely concealed beneath my g-string. He stopped playing. The skirt dropped to the floor, landing next to a large red cushion. Next, pulling the crop top over my head I whispered John to come closer.

John walked towards me. My hands gliding gently over my smooth warm flesh I followed the curves of my

own body: the fullness of my breasts, the arch of my back and abundance of my firm, round arse. Slowly, I pulled down my panties, the string catching between the cheeks of my bum. I lowered them all the way down to my ankles, presenting John with a magnificent view of my cunt. "Touch it, John. Touch my bum," I whispered, still bent over, my long blonde hair rubbing against the white carpet. I heard John groan with pleasure as he pressed his hands against my bum, excitedly, before reaching down between the cheeks, exploring my wet bush. "Oh, John, fuck me," I sighed, lowering myself to the floor. John followed me, his hand clasping my pussy.

I pulled myself away from him and turned, staring lustfully. "Strip," I said, "I want to see your big cock, I want to feel it fill my mouth." Well, I've never seen someone remove their clothes so fast in my life! Within seconds John's dick was swaying before me. He had obviously been circumcised as his bell-end was free from flesh – a glistening spear of red meat. I began to suck him off, ensuring he was nice and hard before we fucked. He was, and it felt so good to have his stiffness between my lips, his pre-come exciting my taste buds.

John shot his spunk deep into my pussy

Pushing him onto his back I withdrew my mouth, licking my lips in satisfaction. I stood astride of him, squatting above his meat, my pussy lips opening in anticipation. "Oooh, that's good," I groaned as I lowered myself down. "I've been looking forward to this."

Clasping my hands either side of his chest I ground my aching twat upon his cock, my tits bouncing with each lunge. I started to whimper with pleasure, my mouth open, my eyes closed, and my white high-heels digging firmly into the carpet. John growled, grasping my thighs and pulling me onto him, deeper with each thrust.

By now my bum was moving up and down at quite a pace, supported by my firm legs. Faster, harder I rode him, an uncontrollable orgasm welling up inside of me. With a grunt John shot his spunk deep into my pussy, triggering an intense explosion of pleasure which shot through my body. With a glow of fulfilment taking over, I sank down onto the floor.

It's Tuesday night again and once I've posted this letter to you boys at Club I'm off for another lesson. Mind you, it seems really hard to tell nowadays – who's the teacher and who's the pupil. Maybe I should start charging him! – *Lucy, Manchester*

TOMBOY

I have to admit that I'm a bit of a tomboy: I read *Club International*, drink pints of beer and hang out with the lads. Yet when it comes to sex, I yearn to be dominated by a big bloke. Unfortunately, this never happens – I always seem to end up with big drips! It's not that I mind taking the lead with the opposite sex. Sometimes it can be good fun telling a man exactly what to do, commanding him to attend to my every need. It's just that the big hunky types never seem to come my way.

I know it can't be anything to do with the way I look. I'm 20 years old with shoulder-length blonde hair and a slim figure. I reckon it's got something to do with my attitude – I don't take any shit! Anyway, I'm writing to tell you that last weekend I finally met the man I've been looking for. His name is Brian, he's 26 years old, tall, dark and handsome. Most important of all, he's not a drip.

I met him when he came round to my house with an ex-boyfriend of mine called Tom, who, as usual, was desperate to get back into my knickers. Tom is quite shy, but Brian was far from bashful.

As I let them in, Brian walked directly behind me and I could feel his eyes burning in to me. "Nice legs," he muttered to Tom.

I turned to face him and told him that he shouldn't have been looking. He was unperturbed. "Well, it's got to be said, you look great," he continued. His boldness was having an effect – I started to feel turned on and I could feel my pussy beginning to moisten.

"What kind of girl do you think I am?" I said, pretending to show no interest, although I could feel my nipples practically bursting through my thin tee-shirt.

"Tom has told me exactly what kind of girl you are," he said cheekily, a grin playing across his mouth. "Now why don't we stop

Calls charged at 79p/ min at all times other services may be initially promoted. SORDIK Postbus 1069 Amsterdam fucking around and head for the bedroom." I blushed at his frankness and did as he said, my excited little cunny becoming wetter with each step I took. Once inside the bedroom, I found myself sitting on the edge of the bed, Brian directly in front of me while Tom was over to one side.

My heart pounding, my mouth dry, I waited for Brian's next instruction. "Let's see what's under your skirt," he smiled. My head lowered, I opened my legs, my hands sliding up my inner thighs as I eased my knickers to one side. Tom gasped. It must have been quite a shock for him to see me in such a submissive way, dutifully revealing my dark, wet bush.

Glancing upwards I could see that this was having the desired effect – Brian's prick was swelling deliciously. As if reading my mind he unzipped his jeans. "I've heard you're pretty good at sucking cock," he said.

"Yes I am, the best," I purred proudly. "I love a hard dick in my mouth." Brian stepped closer, his glistening helmet only inches away from my face.

"Suck it then," he urged. Quivering with excitement I stretched my tongue out and lapped at the tip of his cock. I love the taste of a man's meat and this was no exception. I enveloped its thickness between my lips.

"G-o-o-o-o-o-d girl," he moaned, grasping the back of my head. With loud slurping noises I began to suck him off, my head moving up and down his length, pausing to flick my tongue over his bell-end.

Not surprisingly, I soon felt his cock twitch, a sure sign that he was about to come. Moving my head back from his cock, I opened my mouth wide, my tongue out and flat – an invitation for him to shoot his load. Inevitably he did, giving me a splendid view as his come squirted out; three shots of creamy liquid splattering all over my lips, tongue and chin.

His come squirted out; three shots of creamy liquid splattering all over my lips, tongue and chin

I must have looked a right sight, one finger buried in my cunt, my face covered in spunk, and this was confirmed by the look on Tom's face as he stood timidly behind Brian.

"Your turn," said Brian to Tom, replacing his cock inside his jeans. If anyone but Brian had made such a suggestion, I'd have told them to sod off, but instead I just felt even hornier.

"What would you like me to do for Tom?" I asked Brian, spunk dripping from my chin.

"Take off your clothes and get onto the bed," he said.

I did as he asked, positioning on all fours, my arse thrust into the air. My cunt was positively aching for a good shafting, and I sighed with relief as I felt Tom's dick nudging against my cunt.

"Go on, fuck me," I whimpered, unable to stand the suspense.

I felt him entering my warm and willing twat, a simultaneous groan coming from us both. He began to screw me and I tightly gripped the white bed sheets, gritting my teeth with each delirious stroke. I began to scream with pleasure as I felt my orgasm approaching. Tom was about to come too, his pace accelerating and his balls slapping against my bum. "Yes, yes, yes," I cried, my pussy tingling with excitement as Tom filled me with his load.

I closed my eyes, feeling completely relaxed, and the next thing I knew was waking up this morning! Brian and Tom had gone, leaving me a note and Brian's telephone number. It almost seems like a dream to me now, although the ache in my pussy confirms what a wild time I had the night before! – *Beverley, Glasgow*

HOLIDAY BLUES

Playing away from home

THREESOME

If you asked me to describe myself, I'd have to say that I'm a bit of a sex-hungry slut. It's in my nature and my whole life revolves around sex. My bedroom is like a harem, covered in white, wispy drapes and with a large King-size bed dominating the centre. As for all my sex toys, my cupboard is like an advert for Anne Summers!

I'm a 24 year old aerobics instructor and spend most of my time working out. This only increases my sexual appetite and I've shagged just about all the decent-looking men at my gym. In fact, I'm so desperate for new sexual experiences, I've moved onto women! This is much more of a challenge, 'cos I find it just too easy bedding men.

I've slept with loads of what you'd probably call 'dykey' types and enjoyed it immensely, but what I really wanted was to bed a couple of virgins – girls not yet introduced to the pleasures of lesbian fun. Thankfully, there were two women who regularly attended my classes that fitted the bill perfectly. They were both 18, very sexy and showed signs of being vulnerable to my womanly persuasion.

Their names were Sasha and Sandra. Sasha is the more forward of the two and is stunningly beautiful, with long dark hair and the fittest-looking body I've ever seen. Her quieter friend Sandra is a blonde and has a slightly fuller figure. Her firm arse and large ripe breasts drove me wild, and I desperately wanted to see Sasha licking at Sandra's big tits.

Emma edged her hand up my skirt and was frigging me off

A naughty plan formed in my head. I would invite them round to my place for the evening, get them tipsy and then seduce them. They accepted my invitation without question, and it was last Wednesday night that they came over. Sasha walked into the flat in a long black dress. Sandra, following behind, wore a blue one. "Oh, you shouldn't have bothered to dress up," I said huskily, even though I was wearing a dangerously short mini-skirt, stockings and a starched white shirt. "Well we thought we'd better make the effort," replied Sandra as I handed her a large glass of wine.

We sat in the living room and chatted away for about an hour, the wine flowing steadily. It wasn't long before we were all fairly drunk and I introduced the usual girly topic – men and sex. "My boyfriend never gives me enough of what I want," said Sasha, her stocking-clad legs crossing over, the split in her dress opening to reveal her silky, firm thighs.

"Oh yes, and what's that?" I purred, moving onto the sofa and sliding between the girls.

"A damn good cunt licking," she laughed, her head leaning against the back of the sofa, a huge smile upon her face.

"Sasha, you're so disgusting," giggled Sandra, unaware that in her tipsy state, her skirt had risen so high as to reveal her black lacy panties.

"There's nothing disgusting about having a nice, wet tongue exploring your pussy," I said, feasting my eyes on Sandra's cleavage.

"Oooh, that's right," squirmed Sasha, who was obviously recollecting the feeling. "The trouble is men don't do it enough," she continued.

"Who said anything about men?" I said, staring into Sasha's playful eyes. She stopped smiling. Her jaw dropped, and her eyes gained a look of surprise. I carried on, as if overlooking the change in her. "I mean let's face it, girls know exactly where all the best spots are."

She wiggled in her seat, uncrossing and then recrossing her legs. "After all, no girl can say she hasn't thought about it, can she?" I asked, my gaze still fixed firmly on hers.

Sandra said nothing, her face a picture of confusion, her knickers still uncovered. My hand reached the top of Sasha's inner thigh and then gently began to brush against her panties. The lacy material was already hot and sticky, giving my finger a perfect indication of where to stroke. Her eyes no longer gave a look of surprise. They were half-closed and gazing lustfully into mine. She opened her legs.

"Don't you think that this has gone far enough?" asked Sandra nervously, remaining where she sat, a small damp patch beginning to form on her knickers. Sasha remained silent. She was too busy watching me as I pulled her panties from under her skirt. They were white and made of see-through lace. I held them up to my face to smell her mouth-watering scent. "Mmm, you smell good enough to eat," I moaned, unbuttoning my shirt to reveal my 36D tits.

This proved to be too much for Sasha – she hitched up her skirt, widened her legs and, glaring at my pink,

swollen nipples, begged, "Eat me, please!" A warm rush began to tingle its way all over my body. It started deep in my stomach and growing second-by-second, worked its way down into my hot bush.

I glanced across at Sandra, a smile upon my face, a look of shock upon hers. I noticed that she had crossed her legs, one hand jammed between them. Returning to the job in hand I knelt in front of Sasha. Her cunt was dark, well-trimmed and shaven underneath. This gave me a perfect opportunity to observe her inflated love petals; they were thick and very wet, but, best of all, they had never been sucked by a woman.

I started to tongue her slit. My saliva mingled with her stickiness, soaking my lips and chin. She began to groan; the sounds at first soft and delayed, but soon, as I picked up the pace, becoming louder. "Oh-yes-yes, that's good," she panted. Moments later, she was buckling under an intense orgasm, her hands holding my head, forcing me to lick harder at her erect, shiny clit. And with one loud gasp she relaxed, freeing my head, her arms flopping to her sides.

Her cunt was dark, well-trimmed and very wet

She giggled, a wicked glint on her eyes. "Let's go to bed," she murmured, still slightly out of breath.

"Good idea," I affirmed, turning to Sandra, whose hand was so tightly against her crutch, she might as well have been fingering herself.

"As long as that's all we do," she lied, still attempting to be uninterested. I took her hand and lead her into my bedroom as Sasha followed on behind.

Once in the room I closed the door, drew the curtains and unzipped my skirt. It fell to the floor revealing my panties, the outline of my pussy clearly discernible. Sasha was undressing too. Sandra, however, was not.

It was time to give Sandra the encouragement she needed. I climbed onto the bed, my long hair swaying along with my tits. Kneeling before her, I lowered my gaze, permitting her to look without embarrassment. With one hand I pulled down the front of my knickers, whilst the other began to kneed my breasts. As I was doing this I could hear the swish of Sandra's dress falling to the floor.

I looked up. Sandra stood there in nothing but her black knickers. And beside her, totally naked, Sasha was holding her arm, leading her towards the bed. They were in total contrast: Sasha her black hair wild, her lips pouting hungrily, and Sandra with her neat blonde locks and timid face. As they

approached the bed I took Sandra's hand, beckoning her to join me. She did so bashfully, immersing herself into my satin sheets.

Sasha followed her, settling on her left – the opposite side to me. Her eyes feasted on Sandra's gorgeous frame, although Sandra knew nothing of this, her eyes shut, her breath heavy. With deliberate softness I trailed my fingers over her soaking panties. She shuddered, a tiny sigh of pleasure escaping her lips.

Sasha, copying me, began to brush the tips of her fingers over Sandra's tits. She did so in decreasing circles, starting at their edge, then working towards their centre, exciting Sandra's fleshy pink nipples. "Please, don't tease me," she whimpered, wriggling her body in frustration.

I felt first one, and then two, tongues slapping against my bum and cunt

"Are you sure?" I cooed, enjoying my triumph.

"Yes, I want it. Suck my cunny," she pleaded, lifting her arse, inviting me to remove her panties.

"If you insist," I laughed, pulling off her knickers. She was so wet, that as I removed them, a string of sticky liquid formed between them and her pussy. And what a ravishing pussy it was! Her blonde pubes sparkling with wetness. I wasted no more time. Spreading her legs, I positioned myself at the bottom of the bed between them.

With one long lick I lapped up her fluid. It tasted so nice and gooey as I sank my tongue, deeper and deeper with each stroke.

From where I dined I had a perfect view of her lovely tits, as Sasha, one hand firmly between her legs, sucked and nibbled at Sandra's enlarged nipples. This was more than Sandra could cope with, and she started to thrash wildly around on the bed, my tongue vainly trying to stay in contact with her clit. With a loud cry she erupted into orgasm, uttering obscenities as she did (well they do say the quiet ones are the worst!).

Placid, she reached across to Sasha, who was still desperately frigging herself. "Oh baby, need any help?" she cooed, her right hand joining Sasha's, submerging it between her legs. It was such a horny sight, their hands clasped, their fingers mingling in Sasha's plump, wet mound.

"Oh, Sandra," moaned Sasha, kissing her.

A shiver of ecstasy caused her to end the embrace, her arse gyrating, pressing against their hands. "Fuck me," she screamed, her whole body stiffening under the weight of her orgasm. Within seconds it was all over and both girls lay there panting, their eyes gratefully staring at me.

Now it was my turn and I stripped off, leaving only my white stockings. I instructed them to move to the end of the bed, allowing me to pose on all fours, in front of me the headboard which I gripped, thrusting my arse into air. Turning my head, I could see the two girls slinking towards me. They too were on all fours and I licked my lips as they neared my cunt.

"Come and get it," I murmured, splitting my legs, my arse cheeks and love lips opening as I did. This left nothing to the imagination and must have been quite a sight. I felt first one, and then two, tongues slapping against my bum and cunt. "Oh, yes, deeper-deeper-deeper," I moaned, my hands pushing against the headboard. This caused my whole body to slide backwards, pressing their young sensual tongues deep inside me. I was, by this time, whimpering and sobbing uncontrollably. So intense were the feelings of pleasure, I could hardly stand it, and begged them to bring me off as wave after wave of powerful orgasm charged through me.

It has to be said, it was the most amazing experience of my entire life, and I simply had to put pen to paper in order to tell your readers. I've never had a multiple orgasm before, but you can be sure as hell, it's not going to be my last! As for Sasha and Sandra, well they're helping me to write this letter, and, surprise surprise, it's taking longer than I thought! – *Marion, Sasha and Sandra, Wolverhampton*

COUPLES CONFESS

Share and share alike

OH SISTER!

I have always had the hots for my sister's husband, Greg. He really is a glorious hunk of a man, with rippling thigh muscles barely concealed by the tight jeans he always wears, and big strong arms which make me lip my lips as I think about him wrestling me to the bed and giving me a really thorough shagging.

Yes, Greg is my idea of a real man and I've thought that from the first time I met him, when my older sister Sylvia brought him along to my eighteenth birthday party three years ago. I could hardly believe my eyes and my mind began racing with naughty fantasies about him.

He slipped his long, thick finger into my pussy and began to finger-fuck me

Of course, he was seeing my sister and so was strictly off-limits.

I don't know if he knew all that time that I had such a crush on him. If he did, he kept well away. But a few months ago, things really changed. I still can't believe what I have done, and that's why I wanted to share it with your readers.

Just after Christmas, Sylvia took their two kids away on holiday to Disneyland. The trip was for a week, but Greg had a big project on at work and so he couldn't go with them. It was the first time that he'd ever stayed at their house without my sister since they'd got married, and so she asked me to look in a few times and check that he was getting enough to eat (he's not much of a new man so cooking is out of the question) and that he'd managed to work the washing machine. Of course, this was a heaven-sent opportunity for me to flaunt myself in front of him in my tightest jeans and T-shirts. The first day, I knew he'd noticed me, but nothing was said or done. The second day, he stood in the kitchen while I made his dinner, and I could tell that he was staring at me – ogling every inch of my body.

"You've got a lovely bum, you know, Pam," he drawled as he sat with his feet up on the table. "I've always liked your bum."

And with that, he came up behind me and started to stroke my bum cheeks. I could feel his hot hands right the way through my jeans, and my cunt juiced up as I felt his fingers brush tantalisingly close to my love lips. I wanted to rub myself off until I came, but I just calmly carried on making the dinner.

The next day, it was the

same scenario – except that this time, Greg's best mate Nick was there. He's a really good-looking bloke as well, though I hardly know him. That evening, they were both ogling me in the kitchen, and Greg let his hands wander to my bum cheeks again.

"I told her yesterday, she's got a lovely arse," he told his friend. "Look at those lovely peachy cheeks. She loves it when I give them a good grope, don't you, Pam?"

I just nodded and carried on peeling the potatoes. That day, I was wearing a little mini-skirt and ankle socks, and I gasped out loud when I felt a very male pair of hands lift up the skirt, pull my panties down and begin to fondle my bare bum cheeks.

"You're getting all wet, aren't you, Pam?" Greg whispered into my ear. "Your love juices are stirring up just for me."

And with that, he slipped his long, thick finger into my pussy and began to finger-fuck me. I couldn't help myself: my hips worked backwards and forwards as I impaled myself on it and let him work my juices up into a real lather. My face was all red and I could feel my nipples hardening under my tight little T-shirt. I wanted to play with my clitty and make myself come, but I didn't want to move in case I lost the rhythm from that finger of Greg's. His hand was covered with my love juice when he eventually pulled his finger out and clamped his hand on one of my boobs from behind.

"You're a really dirty girl, aren't you, Pam?" he grinned and started to lick my neck. Both his hands were on my boobs now, and he was kneading my soft titty-flesh through my top and bra. It was only a matter of seconds before he slipped my top up and pushed my bra aside so that he could fondle me properly. But at the same time, another pair of hands took up stroking my pussy where Greg had left off. I looked down to see Nick kneeling between my legs and running his hands lovingly down the length of my wet slit.

I don't know what we must have looked like leaning against the work top like that – some kind of human pyramid, I suppose. But I wasn't thinking about that then: all I could think about was the orgasm which was building up inside me. I wasn't expecting it to build up so quickly, and when I came I yelled out loud and jerked my head back so hard that I cracked it against Greg's.

Although the pair of them had just made me come once, they didn't stop fondling me. I just felt so limp and relaxed by then that I'd have let them do anything. Nick replaced his fingers with his mouth and began to lick me out, and I turned my head so that Greg could French kiss me. He used his tongue like a cock in my mouth, and that was really what I wanted.

"I want to suck you off," I whispered to him, not caring if I sounded like a slut. And somehow, from being stood at the work top I was on my knees, cradling Greg's cock and balls in my hands as I guided the shaft into my mouth.

Nick, meanwhile, had to lie down to be able to carry on eating me out, but he didn't seem to mind as he had his cock in his hand by then. I wished I could see that fat helmet working in and out of his foreskin, but all that was in my eye-line was a great thick bush of pubes and some dark pink balls which looked like they were full to the brim with come. I couldn't wait to taste some of it at the back of my throat.

I could taste Greg's salty pre-come on my tongue now, and I gobbled harder, really flexing my throat and taking his length as far back down it as I could. The look on his face was just what I wanted to see: he looked incredulous that his sister-in-law was sucking his cock so good and hard, like he'd never thought of me doing that before in his life. Although I asked later and he said he'd often wanked while thinking of me on my

He held back as long as he could, but I could tell eventually that he couldn't hold his come back a second longer and that he was about to spunk. His hands gripped my head even harder, and he rammed his shaft hard right down my throat as his hot, sticky come shot all the way down it.

I adore the taste of a man's spunk, and so I really savoured the flavour, rolling the big gobs of it around in my mouth before swallowing it down. I felt every hot drop of it run down my throat and settle in my stomach. I was so turned on by then that all my senses were heightened: I could smell the salty spunk hanging in the air, filling my nostrils, and my whole body was covered with goosebumps as I shook because I was so turned on. Nick was still licking away at my pussy, eagerly gobbling up and escaping drops of juice and chewing on my bush like he was starving. Every breath any of us took sounded loud in the echoing kitchen, and I thought my pussy was going to burst as I orgasmed for the first time that night.

I really lost control with it, too. I couldn't breathe and I used my hands to rub my own tits and clit to make myself come again straight away. Even Nick's tongue didn't seem enough to make me come as strongly and intensely as I wanted. I swear I have never been as randy as that before – and it just made me want more.

I felt that fat shaft nudged past my pussy lips and drive deep inside me

I still hadn't had either of the guy's cocks in my pussy yet, but that was next on my agenda. My sister has a huge pine table in the centre of her kitchen, and so I yanked off my skirt and kicked my panties off, then lay down on the table with my legs apart, fingering my clit. I could feel my love juice covering my fingers and starting to run down my wrist, and I frigged harder and brought myself off. "Come on, which of you is going to do me first!" I urged the guys. But I was looking at Greg when I said that. It was his cock that I'd been fantasising about for three years, and it was his cock which was going to be the first to plunge inside me.

Greg pulled me down the table a little, so that he could stand by the edge of it and rub the knob of his shaft over my outer lips. God, it was divine feeling his hot helmet teasing me, making me think he was going to give in and stick it right into me but always pulling away at the last second. I was moaning out loud for him to fuck me by then, demanding his cock before I really lost it. When he did finally sink his length inside me, I breathed an audible sigh of relief.

Both of us were so horny for each other that he couldn't hold himself back. He began to ram himself into me, clenching his bum cheeks as his balls slapped against my backside and his bush grazed my sensitive pussy lips. I just threw my head back and let myself howl as I felt that hot rod between my legs, ramming in and out. Greg also reached down and played with my clitty to bring me off more quickly, and by the time he heaved his spunk from his balls to fill up my hungry pussy, I was quivering like a jelly.

No sooner had Greg come inside me than his best friend was desperate to feel his shaft inside me too. By then I was game for anything: there was no way I was going to refuse any cock! Greg backed away from the table and begin to wipe his cock clean with one of the tea-towels, and Nick took his place. If anything, he was even better hung than Greg, and I gasped in surprise as I felt that fat shaft nudged past my pussy lips and drive deep inside me. I was stretched to the limit, and with every upward thrust I groaned as I felt my pussy full to the brim with hot meat. It was enough to give any girl an appetite, I can tell you!

When Nick was about to shoot his load, he pulled his cock out at the last moment and sprayed my bush and stomach with his sticky white load. I went wild, rubbing my clit in a frenzy to bring myself off again, and smearing all that come all over myself in the process. I could still smell it on my skin the next day.

I've been seeing Nick since then, though nothing else has happened with Greg since my sister came back from holiday. Nick keeps pushing for another threesome, though, so I know that it's only a matter of time... – *Pam, Glasgow* ♣

obviously full of the party spirit. I opened the car door and as she eased herself in, her skirt rode up her thighs. I could hardly drive straight on the way home, my eyes were wandering all over the place.

When we got back to my place, Susan stumbled out of the car and went ahead of me into the flat, immediately disappearing into the kitchen. I sat myself down on the sofa then Susan appeared at the door holding a bottle of beer. Her tight black skirt and tee-shirt fitted her body perfectly, accentuating her lovely curves.

She stood there without saying a word, slowly bringing the bottle of beer up to her lips, then running her tongue around the rim. "The party was full of young boys," she told me. "Not real men like you, Mark."

She sat herself next to me on the sofa, resting her head on my shoulder and nuzzling her mouth against my neck as she began kissing me.

I just couldn't resist her. I eased my hands under her tee-shirt and discovered she wasn't wearing a bra. She gasped as my fingers made contact with her nipples and I could feel them hardening. "That's lovely," she breathed, "don't stop..." I carried on rubbing her nipples and then we kissed for the first time, our tongues exploring each other's mouth.

Judging by the moans she was making, she was obviously getting very turned on. Suddenly she stood up and led me by the hand into the middle of the living room.

I sat and watched as she pulled off her tee-shirt to reveal her gorgeous pink breasts, the nipples dark and swollen. Then she eased her skirt to the floor and I saw she was wearing a bright red g-string, a thin thread of material fitting snugly between the plump cheeks of my her arse. "What do you think?" she asked innocently. I nodded excitedly.

Susan moved her hands onto her hips and hooked her thumbs under the g-string and pulled it down past her knees. She slowly eased her legs apart and then fixed me with a sexy smile. "Well, what are you waiting for, Graham?" she smirked.

I dropped onto my knees in front of her and began planting kisses all over my stomach and then down to her cunt. "That's it, lick my pussy," she panted. I eased my tongue between her pussy lips and began lapping at her clit.

I moved a finger alongside my tongue and started moving it up and down. Susan rotated her hips and ground her crotch down on my digit as I frigged her. Susan then took a hold of my hand and pulled out my finger and drew it close to her mouth and sucked it. "Would you like to taste me?" she asked. I nodded.

"Lie back on the couch," she said. As I did so, she pulled my trousers and boxers down past my knees and my prick sprung free. I watched in anticipation as her lips moved closer to my prick, gasping delightedly as her mouth clamped around my bell-end. "Is it good?" asked Susan.

I nodded eagerly as she worked her tongue up and down the underside of my prick, building me closer to an orgasm. I began thrusting upwards, using Susan's mouth like a cunt, until I felt myself coming and I poured my load into her mouth.

"Now let's fuck," purred Susan as she climbed on top of me. She reached down and grabbed my cock and started to rub it against her wet slit. I was soon hard again and Susan fed my length into her tight virgin cunt and began bouncing up and down, grinding hard onto me.

I responded by ramming my prick inside her, moving my mouth to suck her gorgeous tits at the same time. "That's it, really fuck me," she begged as I lifted my bum right off the sofa and powered into her. With one final urgent thrust I felt my balls emptying inside her as I came and Susan threw her head back as she orgasmed as the same time.

We lay where we were getting our breath back – until Susan decided that she wanted more! I don't think she'd

Meet Melissa doing what she does best – bugger all. "I'm a lazy cow!" admits the 22-year-old South Londoner.

"I can't even be bothered to pick guys up any more," she says lethargically. "I'd rather they did everything – even in bed. My ideal man would let me lie back and slowly tease my relaxed body with his lips and tongue, then stroke my pussy with his

fingers until I'm juicy. Then he'd climb aboard and give me a good seeing-to!"

Would that liven her up?

"Not half! A long cock sliding inside me is the one thing that has even me writhing and bucking on the bedsprings. The contrast is amazing – reckon you can handle it?"♣

slept with a bloke before that night, and she seemed intent on getting as much sex as possible. In the end, Susan stayed for four days and left the evening before Fiona got back from holiday. Fiona couldn't understand why I was so knackered, and I certainly wasn't going to tell her it was because I'd been shagging her sister! – *Graham, London*

LOCKED IN

I didn't know how much I enjoyed sex until I split up with my boyfriend last year. We had been seeing each other since we met at college three years ago (we're both 21 now) and he was my first lover, so I didn't really have much to compare him with. When I found out that he was screwing one of the girls at his office, I threw him out and moved into my own place.

For a couple of weeks I didn't really go out much, I just stayed at home, occasionally indulging myself with a bit of finger-fucking to keep me satisfied. I decided that I didn't need a man in my life, but I did become frustrated with the lack of sex. I've always been fairly inhibited about sex, and very rarely talked about it with any of my girlfriends. Whenever the topic was discussed, though, they left me in no doubt how much they enjoyed it. To be honest, I thought that they might just be exaggerating to make me jealous, but things changed after my sexy encounter with a lad called Brendan at the weekend.

I'd arranged to meet a few friends in a pub in town, and it while I was waiting at the bar for them that I got chatting to Brendan and he offered to buy me a drink. He was a very good looking guy, although he seemed quite shy. Soon I was taking command of the situation, and I made sure that we got out of there before my friends turned up.

Brendan had a car with him, but we didn't make it out of the car park! In fact, before he even had the chance to put the key in to the ignition I was all over him. I really don't know what came over me; it was probably the result of weeks of pent-up frustration!

I wasted no time in getting my hands on his prick, forcefully tugging the zipper down and enveloping his thick helmet with my mouth. Brendan gasped as I slowly worked my lips up and down his length, gently rubbing his balls at the same time. It didn't take long before he grunted loudly and came, his sticky load filling my mouth and spilling out from the corners onto my top. "Now take me home," I told him.

I've never been in the position where I've been the dominant partner before, and I was relishing every second. I gave him precise directions back to my place and then practically dragged him into the bedroom. "Take off your clothes and lie on the bed," I commanded forcefully. My panties were soaked through, such was the air of sexual anticipation. I stood in the middle of the bedroom and performed a slow and sexy striptease, Brendan eagerly watching every move I made. When I'd stripped off completely, I joined Brendan on the bed and slowly crawled my way up between his legs.

I tenderly stroked his balls and wrapped my fingers around the bottom of his shaft, feeling his cock hardening under my touch. Reaching across to my bedside drawer, I took out a condom and slowly rolled it down the length of his hard shaft. "Now you're going to fuck me up the arse," I whispered.

Straddling Brendan, I eased myself down onto him. As I felt his cock easing inside my tight arsehole, I gave a little gasp. I begged him to fuck me slowly at first, then more vigorously as I felt my arsehole tightening snugly around his shaft. As Brendan started thrusting upwards, I felt myself coming every few minutes, adoring the intense sensations that were spreading through me.

Brendan reached down and began gently rubbing my clit, intensifying my pleasure even more. I'd never had sex like this before, and I felt like my whole body was about to explode. I urged Brendan on even more with my loud screams until he bucked wildly, thrust one final time and we came together.

Things didn't finish there. I kept Brendan in my bedroom for the entire weekend, ensuring he complied with my every instruction and only letting him out when he'd completely satisfied me! I certainly don't think Brendan minded; although he couldn't walk by the time he left my flat, he was grinning like a Cheshire cat! – *Jenny, Mansfield* ♣

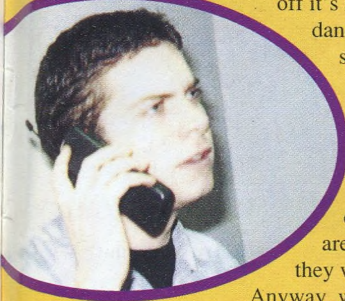
Mobile PHONES

In the first of a new series, Club tackles the issues that matter. This month: the mobile phone. Indispensable tool for man-about-town or poncey twat gadget? Max Vinall and Rich Guy fight it out

Now I used to imagine that if I bought a mobile phone and walked around town with it clamped to my ear everyone would cry, "Hey look! A cunt!" But the truth is they don't! Whenever I'm out and anyone needs to make a call, hey baby, use my phone. When I'm out with a group of mates and we need to be contacted because we haven't a fucking clue where we'll be in ten minutes, I'm your man. In your car and want to know if someone's in before you get out in the pissing rain to knock on their door? Mobile phone, son. And as for the thing going off in public, well, I remember years ago whenever that little trill was heard everyone would sigh and shake their heads in disbelief that anyone could be so flash. But now everyone's got one, when it goes off it's like a Bavarian folk dance as 40 people start slapping their thighs and pockets crying, "Fuck! Is that mine?"



And we aren't talking Sinclair C5s either. These things are a good idea and they won't be going away. Anyway, what's the fucking problem here? Builders have them, single mothers have them, and I've got one. My girlfriend thought it was the sign of a male ego desperately starved of attention, and she's right, but even she went all puppy dog and smiled lovingly the other day when we were stuck in traffic and she wanted to ring work and tell them she'd be late. NOT SUCH A BLOODY BAD IDEA NOW, IS IT?! Oh, and by the way, the only other people who complain about mobys are the low rent cunts that can't afford one. Know what I mean, son?

But don't get a cheap one. You might as well be walking around with a pound of bacon slapped on your ear. And the only time you can get a signal is when you're next to a payphone. Me? Nokia Orange job, mate. Costs loads but it's got all the bollocks: answerphone, itemised billing and the nifty little knack of flashing up the name of the person ringing you, which is more than my phone at home does. So why are you still sitting there? Buy a moby NOW! – *Max Vinall*

The mobile phone? Do me a favour. The beauty of not owning a phone is that it's my choice to decide who I want to keep in touch with. If I'm having a few beers after work on a Friday night, the last thing I want is my bird phoning me up to find out exactly where I am – I might as well get a bloody dog lead. Suddenly people I've spent weeks carefully avoiding can get in touch at the press of a button. Fuck that. Not that refusing to own a mobile helps much. If I'm out enjoying a beer I don't want to be interrupted by the shrill tones of a mobile phone going off in the pub, then having to endure some social inadequate with the manners of a sewer rat shouting loudly and letting the entire pub know his plans for the weekend.

And despite what you may have been told, mobile phones are not at the cutting edge of technology. Remember when you were a kid and you hooked up two empty baked beans cans with a piece of string? Well the reception on a mobile phone is even worse than that. It's like trying to listen to someone yodelling underwater.

Worse of all though, get two relatively normal and sane mobile phone owners together and they suddenly turn into trainspotters. They'll sit there happily discussing the best tariffs, pissing around with each other's phone and swapping numbers. It's like foreplay to these people.

I'm convinced the only people who call mobile phones are other people with mobile phones. It would be great if you could get all the sad bastards hooked up together at one time on the network, then send a 240,000 volt down every mobile phone in the country... WHAM! Goodnight Vienna, and good fucking riddance. – *Richard 'Can I borrow Your Phone For A Moment' Guy* ♣
